## ABOUT

I'm a Computer Engineering student and placement team member at Ambedkar Delhi Skill and Entrepreneurship University, Shakarpur Campus-I. Since November 2023, I've enhanced communication, collaboration, and leadership skills by facilitating student-employer connections. Proficient in HTML, CSS, JavaScript, and C, I've completed internships in frontend and Java development. Possessing a Python Essentials 1 certification from Cisco, I aim to graduate in 2024 and apply my skills to develop innovative solutions for societal and economic impact.
